CANE

RHUM BAR

About Cane

This bar is a concept created and designed by Chef Paul Yellin. It was a labour of love to see this dream realized — after moving to Charleston and finding a severe lack of his favorite spirit or anywhere to drink it. Contemporary & classic Caribbean dishes are served alongside playful tropical cocktails and a solid rum list that boasts the most rums in the closest 3 states.

Host your corporate and special events, live music and arts performances, birthday parties, wild celebrations and all around good times with us!
